Source code - <https://github.com/northelks/trailcatch-zero>

## WORK HISTORY

---

### Flutter Developer

10/2023 - Today

*Self Employed Freelancer, Remote*

I started working with Flutter back when version 1.0 was just released. With 6 years of experience as a Flutter developer under my belt, I can confidently say that I am capable of creating mobile applications of any complexity using Flutter. Moreover, since I am also proficient in backend development, I consider myself a skilled full-stack developer.

### Flutter Developer
