WORK HISTORY

10/2023 - Current

Flutter Developer

Self Employed Freelancer | Remote

I started working with Flutter back when version 1.0 was just released.

With 6 years of experience as a Flutter developer under my belt, I can confidently say that I am capable of creating mobile applications of any complexity using Flutter. Moreover, since I am also proficient in backend development, I consider myself a skilled full-stack developer.

11/2018 - 10/2023
