WORK HISTORY

Flutter Developer   10/2023 - Today
Self Employed Freelancer, Remote

I started working with Flutter back when version 1.0 was just released. With 6 years of experience
as a Flutter developer under my belt, I can confidently say that I am capable of creating
mobile applications of any complexity using Flutter. Moreover, since I am also proficient in
backend development, I consider myself a skilled full-stack developer.

Flutter Developer   11/2018 - 10/2023
Upwork, Remote
